1st Gold Coast Open
Year of the Tiger

With one week to go, we have exceeded last year's numbers at the Tans Open. Besides the numbers, we are particularly excited about "super Saturday" with the large number of elite black belts competing. Sunday is junior's day in which every sparring competitor will win a medal.

The Draw

Currently there is a players list posted on our website. This is updated daily until the final draw is out. It is essential that everyone check the website and emails me any error or queries. A provisional draw will be posted by 11 May. The final draw will be posted by 13 May. After this date the id cards will have been made and the fight numbers allocated. NO changes can be made after this point.

Closing Date – extended to Sunday 9th May.

You have until 6pm on Sunday to change any weights online or add any new entries. After this date, the system will be removed off the website.

A reminder we will be deleting all online registrations, which have not been paid for 11 May. We have just over 100 entries currently in this situation. A signed Printed copy of the entry form must be presented at weigh in. There is no paying on the day.

Power Breaking Challenge – lunch time Saturday & Sunday.

Sponsored by Distinctive Pools, the power breaking challenge will be for instructors, coaches or competitors. The challenge is to break as many boards (19mm) in one hit. Cost is a flat \$5 including boards. Limit of one go per person. Practice is available all day for a gold coin donation to charity plus boards. The board holder can hold up to 6 boards. The record is 6 board held by Master Phil Monagham of DMA. Phil broke 6 boards with a jumping back kick in jeans.
