Students and Instructors are encouraged to enter early to allow match up's for our interstate and NZ participants to confirm flights.

Online system

Last year we had a positive response to our online registration system <http://www.tans.com.au> . Most of the problems with incorrect forms were minimised. If you make a mistake, the easiest thing to do is to create another entry form. We cannot modify forms as we will loose track of modification dates. Entry forms are only confirmed when they have been signed, received and paid for. The rest will be purged after the closing date. If you are concerned please email us with the incorrect registration number to delete.

Accommodation

Being a two day event, many families have decided to spend the weekend down the Gold Coast. For those looking for accommodation may I suggest looking at www.wotif.com to find the best deals. We recommend staying at Surfers Paradise, Broadbeach or Mermaid Beach which are about a 15 minute Taxi fare to the venue.

Map of Carrara Indoor stadium

For those attending the Tans Open for the first time, the Basketball stadium is right next to the Carrara Sports Ground (with the big light towers) on Nerang-Broadbeach Road, Carrara. The stadium is about 15 minutes from Surfers Paradise.
