Thank you for attending our first ever Christmas break up at Whitewater World. All 75 tickets have been sold, meaning there will be a good number to enjoy the day. We shall try to introduce members of similar age, so they can enjoy the rides together. Whilst qualified lifeguards supervise all rides and slides, safety is each families responsibility. Please ensure an adult supervises small children at all times.

We have a reserved area of tables at Picnic Point, which is located to the back left of the wave pool. (see map). Please check in on arrival and confirm lunch details.

Lunch 12.30 – 1.30pm.
